Subject: RE: conference call availability

Joe,

Jeanne informed me that she is not available on the 19th. Would another date work for you?

John also asked me to invite Scott and David. My apologies for not mentioning that in the initial e-mail. Please confer with them, and let me know a date that works for your group.

Thanks,
Debbie

Hello Debbie,

I propose we talk next Tuesday the 19th from 2 to 3 pm. Please ask John if it would be appropriate for Scott Roy and/or David Poole to participate as well.

Thanks,

Subject: conference call availability

Jeanne and Joe,

John Duda would like to know your availability for a one hour long afternoon conference call between Range Resources, EPA, and NETL for a "Discussion of path forward/Marcellus Test Site". John has suggested the following dates and times:

February 19, 2013 from 2 pm to 3 pm EST

February 22, 2013 from 2 pm to 3 pm EST

February 26, 2013 from 3 pm to 4 pm EST

February 27, 2013 from 1 pm to 2 pm EST

Please let me know if any of these dates and times work for you.

Thanks,
Debbie Turner
